

We are hiring! We are looking for an:

Experienced professional in
Services and client relations
&
Experienced professional in
New client relations

Are you looking for a new job with global reach, working with clients across Europe, Asia, and the Americas? Do you want to be part of a young company that encourages positive change in working environments, internationally? Are you interested in supporting our clients with putting disqourse to the best use, and with helping them create cultures that are fit for human beings?

Lots of questions, but if your answer is “yes”, then keep reading and check if you recognize yourself in the following statements:

- I want to be part of an avant-garde that promotes organizational and social development, internationally.
- Direct communication with people satisfies me, and I enjoy getting in touch with people (even strangers), either in person or over the phone.
- I build new customer relationships with ease. (New Client Relations)
- I have excellent command of English, in speech and in writing.
- Written expression, analytical or organizational tasks - I feel at ease with that stuff.
- I will find a solution to every problem.
- I have been part of the working community for more than three years.

If these statements suit you, then we would love to meet you.

Please send us your CV and motivation letter in English, to start@disqourse.com
- no later than October 20th, 2021.

disqourse is a newly established ed tech company, headquartered in Croatia. Our product is developed in Europe, and we serve clients worldwide. The team behind disqourse is a truly international one, consisting of European entrepreneurs, inventors, authors, engineers, communicators, researchers and designers of social technologies. We are united by the insight that every individual, team and organization can improve and grow dramatically - given the right conditions! With disqourse we provide agility.
